

## **Silicon Motion Announces Preliminary Second Quarter 2016 Revenue and Earnings Conference Call Details**

July 7, 2016

TAIPEI, Taiwan and MILPITAS, Calif., July 07, 2016 (GLOBE NEWSWIRE) -- Silicon Motion Technology Corporation (NasdaqGS: SIMO) ("Silicon Motion" or the "Company"), a global leader in designing and marketing NAND flash controllers for solid state storage devices and specialty RF IC solutions for mobile devices, announces that based upon its preliminary second quarter financial results, sequential revenue growth is expected to be 23% to 25%, significantly higher than its original guidance range of an increase of 5% to 10% that the company issued on April 28, 2016. Gross margin (non-GAAP) is expected to be in the upper half of the company's original guidance range of 47% to 49%.

The Company will release its full second quarter 2016 results after the market closes on July 21, 2016. The Company will host a conference call on July 22, at 8 am Eastern Time, to discuss its results.

(Speakers)

Wallace Kou, President & CEO

Riyadh Lai, CFO

Jason Tsai, Senior Director of Investor Relations & Strategy

### **ABOUT SILICON MOTION:**

We are the global leader in supplying NAND flash controllers for solid state storage devices and the merchant leader in supplying SSD controllers. We have the broadest portfolio of controller technologies and solutions and supply more controllers than any other company in the world. Our key products are controllers used in embedded storage products such as SSDs and eMMCs. Our products are widely used in smartphones and PCs and for enterprise, industrial and commercial applications. Our customers include most of the NAND flash makers, leading technology OEMs, and the majority of the world's storage device module makers. For further information on Silicon Motion, visit us at [www.siliconmotion.com](http://www.siliconmotion.com).

### **FORWARD-LOOKING STATEMENTS:**

This press release contains "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. In some cases, you can identify forward-looking statements by terminology such as "may," "will," "should," "expect," "intend," "plan," "anticipate," "believe," "estimate," "predict," "potential," "continue," or the negative of these terms or other comparable terminology. Although such statements are based on our own information and information from other sources we believe to be reliable, you should not place undue reliance on them. These statements involve risks and uncertainties, and actual market trends or our actual results of operations, financial condition or business prospects may differ materially from those expressed or implied in these forward looking statements for a variety of reasons. Potential risks and uncertainties include, but are not limited to the unpredictable volume and timing of customer orders, which are not fixed by contract but vary on a purchase order basis; the loss of one or more key customers or the significant reduction, postponement, rescheduling or cancellation of orders from these customers; general economic conditions or conditions in the semiconductor or consumer electronics markets; decreases in the overall average selling prices of our products; the payment or non-payment of cash dividends in the future at the discretion of our board of directors; changes in the relative sales mix of our products; our ability to successfully integrate Shannon Systems; changes in our cost of finished goods; the availability, pricing, and timeliness of delivery of other components and raw materials used in our customers' products; our customers' sales outlook, purchasing patterns, and inventory adjustments based on consumer demands and general economic conditions its customers and consumers; our ability to successfully develop, introduce, and sell new or enhanced products in a timely manner; and the timing of new product announcements or introductions by us or by our competitors. For additional discussion of these risks and uncertainties and other factors, please see the documents we file from time to time with the Securities and Exchange Commission, including our Annual Report on Form 20-F filed on April 29, 2016. We assume no obligation to update any forward-looking statements, which apply only as of the date of this press release.
