

## **Silicon Motion Announces Preliminary Third Quarter 2015 Revenue and Earnings Conference Call Details**

October 5, 2015

Taipei, Taiwan, Oct. 6, 2015 (GLOBE NEWSWIRE) -- Silicon Motion Technology Corporation (NasdaqGS: SIMO) ("Silicon Motion" or the "Company"), a global leader in designing and marketing NAND flash controllers for solid state storage devices and specialty RF IC solutions for mobile devices, announces that based upon its preliminary third quarter financial results, revenue is expected to increase 8% to 10% sequentially, at the upper end of its original guidance range of a sequential increase of 5% to 10% that the company issued on July 28, 2015. Gross margin (non-GAAP) is expected to be near the mid-point of the company's original guidance range of 50% to 52%.

The Company will release its full third quarter 2015 results after the market closes on October 28, 2015. The Company will host a conference call on October 29, at 8 am Eastern Time, to discuss its results.

(Speakers)

Wallace Kou, President & CEO

Riyadh Lai, CFO

Jason Tsai, Director of Investor Relations and Strategy

This call will be webcasted on the Company's website at [www.siliconmotion.com](http://www.siliconmotion.com). The webcast will also be distributed through the Thomson Reuters StreetEvents Network to both institutional and individual investors.

### **ABOUT SILICON MOTION:**

We are a fabless semiconductor company that designs, develops and markets high performance, low-power semiconductor solutions to OEMs and other customers in the mobile storage and mobile communications markets. For the mobile storage market, our key products are microcontrollers used in solid state storage devices such as SSDs, eMMCs and other embedded flash applications, as well as expandable storage products. For the mobile communications market, our key products are LTE transceivers and mobile TV IC solutions. Our products are widely used in smartphones, tablets, and industrial and commercial applications. For further information on Silicon Motion, visit [www.siliconmotion.com](http://www.siliconmotion.com).

### **FORWARD-LOOKING STATEMENTS:**

This press release contains "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. In some cases, you can identify forward-looking statements by terminology such as "may," "will," "should," "expect," "intend," "plan," "anticipate," "believe," "estimate," "predict," "potential," "continue," or the negative of these terms or other comparable terminology. Although such statements are based on our own information and information from other sources we believe to be reliable, you should not place undue reliance on them. These statements involve risks and uncertainties, and actual market trends or our actual results of operations, financial condition or business prospects may differ materially from those expressed or implied in these forward looking statements for a variety of reasons. Potential risks and uncertainties include, but are not limited to the unpredictable volume and timing of customer orders, which are not fixed by contract but vary on a purchase order basis; the loss of one or more key customers or the significant reduction, postponement, rescheduling or cancellation of orders from these customers; general economic conditions or conditions in the semiconductor or consumer electronics markets; decreases in the overall average selling prices of our products; the payment or non-payment of cash dividends in the future at the discretion of our board of directors; changes in the relative sales mix of our products; our ability to successfully integrate Shannon Systems; changes in our cost of finished goods; the availability, pricing, and timeliness of delivery of other components and raw materials used in our customers' products; our customers' sales outlook, purchasing patterns, and inventory adjustments based on consumer demands and general economic conditions its customers and consumers; our ability to successfully develop, introduce, and sell new or enhanced products in a timely manner; and the timing of new product announcements or introductions by us or by our competitors. For additional discussion of these risks and uncertainties and other factors,

please see the documents we file from time to time with the Securities and Exchange Commission, including our Annual Report on Form 20-F filed on April 30, 2015. We assume no obligation to update any forward-looking statements, which apply only as of the date of this press release.
