Island Shangri-la Hotel, Hong Kong

Interested parties can listen to a live audio Webcast of the Company's presentation on the Investor Relations section of Silicon Motion's website at [www.siliconmotion.com](http://www.siliconmotion.com). A replay of the Webcast will be available for 90 days following the events.

### **About Silicon Motion:**

We are a fabless semiconductor company that designs, develops and markets high performance, low-power semiconductor solutions for the multimedia consumer electronics market. We have three major product lines: mobile storage, mobile communications, and multimedia SoC. Our mobile storage business is composed of microcontrollers used in NAND flash memory storage products such as flash memory cards, USB flash drives, SSDs, embedded flash applications, and card readers. Our mobile communications business is composed of mobile TV tuners, CDMA RF ICs, and electronic toll collection RF ICs. Our multimedia SoC business is composed of products that support MP3 players, PC cameras, and embedded graphics applications.
